

Space Request Tool

Walmart's space request tool allows verified local organizations to request space outside of Walmart facilities for the purpose of fundraising or community awareness campaigns. To start, please visit www.walmart.com/nonprofits.

Please visit this FAQ page (<https://walmart.org/how-we-give/faqs>) for commonly asked questions.

Walmart encourages all community partners to become verified. There are many benefits to being a verified nonprofit partner, such as accessing and managing all your charitable activities through the nonprofit portal (www.walmart.com/nonprofits). To learn more about verification, visit the FAQ page (<https://walmart.org/how-we-give/faqs>).
